ITALIANS GOING TO CONFERENCE

Peace Delegation is Returning to
Paris, Italy's Ambassador to
France is Informed

COMPROMISE IS IN PROSPECT

Secret Plenary Session of Confer-
ence Tomorrow to Consider
Completed German Treaty

(By United Press.)

Basle, May 5.—A dispatch from
Vienna today reported the allies had
invited the Austrian peace delegates
to Germain on May 12.

Rome, May 5.—The population of
Zara at a mass meeting proclaimed
annexation of that Dalmatian city
to Italy, it was announced today.

Brussels, May 5.—The Belgium
crown council voted unanimously
last night to sign the peace treaty
with Germany.

Paris, May 5.—The Italian dele-
gates are returning to Paris, the
Italian ambassador informed. For-
eign Minister Pichon this afternoon.
The ambassador said that Premier
Orlando and Foreign Minister Son-
nino are leaving Rome tonight, and
will arrive here Wednesday morn-
ing.

The Big Three, it was learned
from an authoritative source, is
considering a plan whereby Fiume
would become a free port under the
league of nations for three years,
pending construction of a Jugo-Slav
port.

A secret plenary session of the
peace conference will be held tomor-
row, at which the completed German
treaty will be discussed, it was an-
nounced today. The meeting is ex-
pected to be brief. Credentials of
the German peace delegates have
been accepted, it was also announ-
ced. The German envoys are empow-
ered to represent the entire coun-
try, including Bavaria, by a law en-
acted at Weimar. The Germans also
accepted the allies' credentials, in-
cluding those of the Jugo-Slavs.

With the treaty understood to be
completed, the time for submission
to the German delegates is now fixed
for Thursday afternoon. The fif-
teen-day limit for acceptance of the
terms would require the Germans to
sign the treaty not later than May
21.

Immediately after presentation of
the German treaty, the Big Three
will begin assembling the articles of
the Austrian pact, according to au-
thoritative information. It is gener-
ally understood a formal invitation
has been dispatched to the Austrian
government to send its delegates to
the peace conference. Unofficial in-
formation has been received that the
Austrians probably will arrive in
St. Germain a week from today.

President Wilson, Premier Lloyd
George and Premier Clemenceau
visited Trianon palace at Versailles
this afternoon to inspect arrange-
ments being made for signing the
peace treaty.

The Italian ambassador to Great
Britain will attend the first peace
meeting of the league of nations
this afternoon, according to au-
thoritative information.

Arrangements are being made to
receive the Bulgarian and Turkish
peace delegates. Six Frenchmen ex-
amined the housing facilities of the
St. Cloud and Bellevue hotels with
the idea of establishing quarters in
these hotels.

FLIERS MAY START TUESDAY

Preparations Are Completed For
Trans-Atlantic Flight

(By United Press.)

New York, May 5.—United States
naval fliers will begin their trans-
Atlantic flight probably tomorrow
shortly before noon, according to
Rockaway Point air base today.
The start of the fliers will depend
upon the weather conditions.

Newfoundland, May 5.—Six Amer-
ican destroyers have been re-fuel-
ed and were expected to start today
for the Azores to form part of the
bridge of boats for the naval trans-
Atlantic flight. The weather was
clear and cold. The air was consid-
ered perfect.

Y.M.C.A. PLAN MAY BE CONSIDERED HERE

Scheme of Community Work Will be
Presented Here if Sentiment
Seems to Favor It

R. L. DONNAN MAY BE INVITED

That Rush county will be given
an opportunity to try out the Y. M.
C. A. plan for community develop-
ment, which program is being car-
ried out in many counties, is indi-
cated by the announcement that R.
L. Donnan of Indianapolis, state
secretary for county development
work, will be invited to lay the plan
before a representative group of
Rush county men, providing any
sentiment is found here to consider
the project.

The Y. M. C. A.'s scheme of work
in Indiana counties, without the ere-
ction of a Y. M. C. A. building,
was one of the foremost subjects
discussed at the recent conference
of representatives from several
counties at Greensburg. Dr. D. Ira
Lambert of this city attended the
conference and has since been ap-
pointed the chairman for the work
in this county. He proposes to in-
vite representatives from every
community in the county to hear an
outline of the plan by Mr. Donnan,
in a few weeks, if sentiment here
seems to favor giving the project a
hearing.

The plan calls for the employment
of a permanent secretary, with of-
fices in the county seat, who would
devote all his time to work in all
parts of the county.

HOLE EVIDENCE OF NEAR NIGHT TRAGEDY

Unknown Motorist Plows up Penn-
sylvania Flagman's Flower Bed
to Escape Being Hit

TRACKS REVEAL HIS COURSE

A big hole plowed in the dirt at
the east edge of the pavement, only
a few feet from the Pennsylvania
crossing in Main street, was the
only evidence left today of what
might have been a grim tragedy. All
the tracks which the motorist left
disclose what a very narrow escape
he had from being struck by a train
some time last night.

The driver apparently was almost
on the crossing when he either heard
or saw the train. He veered to the
right, barely missing the curb, struck
a telephone pole, evidently with the
left side of the machine's bumper,
and headed straight for the flag-
man's house. He avoided that catas-
trophe by plowing up the flower bed
which Flagman Warth had been
carefully nursing along this spring.
The tracks early this morning in-
dicated that the motorists backed
out of the "furrows" he made in the
flower bed and went down Gosnell
avenue, apparently undamaged.

COUNTY REPORTED OVER ITS QUOTA

Banks Absorb Difference Between
Allotment and Actual Sales to
Go Over The Top

NUMBER SUBSCRIBING SMALL

People Will Not Have Discharged
Full Duty Until Every Bond of
Victory Issue is Bought

Rush county was reported over
the top in the Victory Liberty loan
Sunday, the banks of the county
having assumed the difference be-
tween the actual sales and the quota
of \$825,000.

Because the allotment has been
reported taken, does not mean that
people should stop buying bonds. It
is the intention of the government
that the banks shall not hold any of
the bonds, but that they shall be
taken by the people. The banks will
be called on to underwrite future
loans and the government policy is
that they shall not be encumbered
with bonds of the Victory issue on
their hands.

It was pointed out today that the
people of Rush county will not have
discharged their full duty to their
country, as well as have paid off
their debt to the fighting men who
gave their lives, until every cent of
the Victory quota is taken.

There is no mistaking the fact
that the Fifth loan has not gone
over as it should—that the people
of the county have not subscribed
with the same spirit of devotion to
country as they did in former loans.

This is disclosed by a comparison
of the number of subscribers to the
Victory loan with the number who
took bonds of the fourth issue. Ac-
cording to the last report from the
seventh district federal reserve bank
at Chicago, covering the reports
from the thirteen banks of the coun-
ty, there had been at that time only
778 subscribers to the fifth loan.
This is quite a contrast with the 3,
200 subscribers in the county to the
Fourth Liberty loan.

It is conservatively estimated that
there will not be many in excess of
twelve hundred subscribers to the
Victory issue, which would make the
average subscription slightly less
than \$700, whereas the average sub-
scription in the fourth loan cam-
paign was about \$340.

It is confidently believed that a
thorough canvass, such as was
made in previous loans, was not
conducted in any township in the
county, with one or two rare excep-
tions. Only \$137,450 in sales by
canvassers have been reported to T.
M. Green, county director of sales.
It is known that some sales were
made by solicitors which were not
reported, but the bulk of the bonds
were sold by the banks or were
taken voluntarily. Walker township
reported additional sales amounting
to \$12,000 today, and Anderson
township \$500.

VERDICT AGAINST HEADLEE

Jury Reaches Agreement in Peace
Bond Case Saturday Evening

The jury in Squire Stech's court,
which heard the surety of peace
proceedings against Harry Headlee
of Shelbyville, found in a verdict
returned about 6:30 Saturday even-
ing, that his former wife, Mrs. Lucy
Headlee, who filed the affidavit, has
just cause to fear Headlee and he
was placed under \$100 peace bond
by the squire. The costs, amount-
ing to \$59.85, were adjudged against
Headlee. State's witnesses were Au-
gust Coers, Lester Keppell, Emer-
son Burigrover, Trusty Kuntz, La-
vanche Coers, Florence Coers and
Ed Rader. Headlee had no wit-
nesses.

DEFENDANTS IN DAGLER CASE

Motions of Defendants to Strike Out
Parts of Complaint and Inter-
rogatories Sustained

The May term of the Rush cir-
cuit court opened today with most
of the morning being devoted to the
case which William Dagler, a retired
farmer of this city, brought against
Alva N. Harrold, living west of the
city, and eight other defendants, to
recover in excess of \$50,000 alleged
due him because of land trades he
made with the defendants. He
charges that the Ohio farm for
which he traded Rush county and
Morgan county, Indiana, farms was
misrepresented.

In connection with the civil suit,
is the indictment against three of
the defendants, William Sanford
and son, Stanley J. Sanford, and the
latter's wife, Lottie Sanford, all of
Oakesboro, Michigan, who appeared
before Judge Sparks this morning.
They entered into a continuing re-
cognizance in the sum of \$1,000 for
each defendant.

The specific charge in the indict-
ment is defrauding creditors. It is
alleged that they were parties to
the conveyance of the real estate
here, which was formerly owned by
Mr. Dagler to, " hinder, delay and
defraud creditors."

The court this morning sustained
the motion of the defendants to
strike out parts of the complaint
filed by Mr. Dagler, with exceptions
to the plaintiff. The motion of the
defendants to strike out the interro-
gatories presented by the plaintiff
was also sustained.

Three other suits were dismissed
by the court this morning. Two
cases of Marshall Green against
the Big Four, one for \$700 dam-
ages and the other for \$150, were
dismissed and the costs paid. A
written motion of the plaintiff in
the case of Harry J. Becker against
George Gray, on an account for
\$330, to dismiss, was sustained.

OPEN BIDS ON TRUCK TODAY

Commissioners Award Contract For
J. D. Todd Road For \$19,000

The county commissioners began
opening bids on a motor truck, to be
used in maintaining roads, about
three o'clock this afternoon. This
was the regular monthly meeting of
the board.

The board late Saturday after-
noon awarded the contract for the
Jacob D. Todd road in Center town-
ship to Charles E. Reddington of
Greensburg for \$17,000. The road
will be part concrete and part grav-
el. Mr. Reddington was awarded the
contract to build the Chester
Cross and Fred McManus roads in
northern Rush county a week ago
Saturday.

CALL FOR JUNE 1 EXPECTED

Special Session of Congress Will
Begin About That Time

(By United Press.)

Washington, May 5.—The state-
ment in Paris that the Italian situ-
ation is apparently clearing led to
the authoritative prediction here to-
day that President Wilson will call
the extra session of congress before
June 1, possibly May 26. Informa-
tion has been received that Presi-
dent Wilson would call the extra
session about June 1 and would ar-
rive in this country just before the
day set for congress to convene.

James Hobbs of Near Orange and
Sergt. Montague Arrested After
Eloping With Girls

PARENTS RAISE OBJECTIONS

The county jail today was hous-
ing two prisoners, both former sol-
diers and both accused of the same
offense—contributing to the delin-
quency of a minor.

James Hobbs, son of James
Hobbs, Sr., of near Orange, who
eloped to Newport, Ky., Saturday,
with Leila Cross, age sixteen years,
daughter of Irvin Cross, was ar-
rested by Sheriff Jones here yester-
day when the girl's father filed an
affidavit against him.

Sergeant Montague, who appeared
at a local theater last week ran off
with Elsie Hardin, age sixteen years,
daughter of Mr. and Mrs. William
Hardin, Saturday night, and Sheriff
Jones was asked to arrest them.
They were thought to have gone to
Pendleton, and the police there and
likewise at Indianapolis were noti-
fied. The sheriff received word this
morning that the girl was in the de-
tention house and the former sol-
dier in jail in Indianapolis, and he
started after them about ten o'clock,
returning here this afternoon. Sergt.
Montague, who has a stiff left leg
from a wound in the knee, and
whose right arm is off at the elbow,
is a Frenchman.

WILL GUARD AGAINST REVIVAL SUNDAY RIOT

Strong Guards Patrol Streets of
Gary to Prevent Recurrence of
Outbreaks by Radicals

MANY PLACED UNDER ARREST

(By United Press.)

Gary, Ind., May 5.—Strong guards
were patrolling the streets here to-
day to guard against a revival of
the radical riots of Sunday. Sixteen
battered radicals were in jail await-
ing action by municipal and federal
authorities. Many others arrested
in the battle in which it was es-
timated between 4,000 radicals and
3,000 policemen, state militia, fed-
eral, state and county agents and
patriotic citizens took part, were
released on their promise to get out
of town.

Battles were precipitated by the
refusal of the radicals to disperse
and their attempts to hold a parade
in violation of Mayor Hodge's or-
ders.

Socialists, it was said, were the
moving spirit in the radical battles.
Pictures of Lenin and Trotsky
were carried by many groups. Po-
lice went into the fight wearing
revolvers in their belts. A company
of state militia charged up and
down the streets, clearing the rad-
icals out of the way. Many hun-
dreds of patriotic citizens, most of
them armed, joined the policemen.

The radicals were split into small
detachments and scattered.

SCORES FROM HERE TO ATTEND EVENT

Making Plans to be Present for
Welcome Home Celebration in
Indianapolis Wednesday

LOCAL COMMITTEE MET TODAY

Elaborate Preparations Are Made
For Care of Immense Crowd
Which is Expected

The committee which will re-
present Rush county at the
Welcome Home celebration in
Indianapolis, decided this after-
noon to leave Wednesday morn-
ing at 7:32 on the I. & C. trac-
tion line.

The Rush county committee of
twelve, which will represent the
county at the official Indiana wel-
come to returning soldiers, was
called to meet in the court house at
two o'clock this afternoon to organi-
ze and arrange to attend the wel-
come home day events in Indiana-
polis Wednesday in a body.

Although very few, if any, former
Rush county soldiers will be in uni-
form and participate in the parade,
scores of Rush county people have
made plans to attend. Indications
today were that the weather would
be fair.

The committee in charge of the
celebration anticipate that 130,000
visitors including soldiers, sailors,
nurses, nurses and welfare workers
will have place in the parade. Ample
provision has been made for hous-
ing and feeding the largest crowd
Indianapolis has ever entertained.

Twenty-one bands will be in the
procession and stationed at places
along the line of march. There will
be 25 water barrels on various
street intersections, 50 information
bureaus, 20 rest rooms and the first
aid stations, and the grand stands
will seat 13,000 people exclusive of
private facilities for viewing the
pageant. The official reviewing stand
will be at the old Public Library,
Ohio and Meridian streets.

Boy scouts and high school ex-
cels will aid in the maintenance of
information booths and in policing
the 48 city blocks which will be tra-
versed.

The elaborate program arranged
to emphasize the state's welcome to
its fighting men is packed with spec-
tacular features. The Victory Arch
at Meridian and the south approach
to the Circle, is practically com-
pleted. The monument will be con-
verted into a Court of Honor, and in
north of Meridian street will be the
Court of the Allies, being a repro-
duction of the New York Victory
Way. Fourteen beautiful Indiana
girls will be stationed on pedestals
to strew with flowers the path of
the soldiers.

Every factory, office and store
will be urged to close for the day. A
request is made by Governor J. P.
Goodrich in his official proclamation
in designating May 7 as Welcome
Home Day, that all business in the
state cease on that day.

The chief marshal's headquarters
will be at Senate avenue and Wash-
ington street. The first division will
be infantry, with head of the column
at Missouri street facing east on
the south side of Washington street,
and the right resting on Missouri
street extending west and Washing-
ton street.

The second division will be com-
posed of artillery units, and will be
headed by the 150th Field Artillery.

Engineers, signal corps and
machine gun troops will form the
third division, the head of which
column will rest at Washington
and South West street.

Sailors, marines and aviators will
compose the fifth division, with the
column head at Washington street
and extending south on the east.

The Consumer and The Standard Oil Company (Indiana)

THE Standard Oil Company (Indiana) always has recognized the men and women who use its products as the ultimate judges of the success of the Company's earnest effort to render a superior service.

The Standard Oil Company (Indiana) conducts its business with but one goal as an objective—that every individual purchaser of Standard Oil products shall experience complete satisfaction with every purchase.

When the Company reaches this goal, then, and only then, will the Board of Directors, acting as Trustees for the 4623 stockholders, feel that their ideals have been realized.

Neither the Company, nor the patrons, can be satisfied unless the product is uniformly up to the highest standard of excellence—unless it can be bought without inconvenience—unless the price charged represents true value.

To bring about this degree of satisfaction, unerring accuracy in manufacture, complete distribution, and efficiency in keeping down operating costs are essential.

Working without precedent, but with high ideals, integrity of purpose, and a keen sense of its obligation as a public servant, the Company believes it has succeeded.

The judgment of the consuming public has been for the most part favorable to the Company, as is shown by the ever increasing volume of business which the Standard Oil Company of Indiana is enjoying.

The best friends of the Standard Oil Company of Indiana are those customers who have used its goods, and its service, for the longest time.

JUBILEE IS HELD AT HIGH SCHOOL

Pupils and Teachers Join in Celebrating Victory of Track Team in Triangular Meet.

RIBBONS ARE AWARDED TODAY

Sweaters Are Also Presented to Eight Members of Basketball Team—Short Talks Made.

This morning was one of the most memorable in the history of Rushville high school. During the morning the school was called to the assembly room and the teachers, pupils and all took part in the celebration of the winning of the triangular track meet at Connersville last Friday. The R. H. S. sweaters were given to members of the basketball team for the splendid work did during the season and for the splendid spirit shown. The ribbons were also presented to those winning the several events of the meet. Conwell Smith receiving the highest number of points in the meet, was awarded a special gold medal.

Glen Curtiss, coach of the basketball team, acted as chairman for the meeting and gave the much coveted sweater of R. H. S. to the following players: John Keating, Franklin Norris, John K. Tompkins, Cyril Caron, Harold Miller, Charles Becker, Oliver Dill and Emerson Headlee. Headlee was announced as captain for the next year.

Supt. J. H. Scholl then gave a short talk, thanking the boys of the team for the interest shown and the hearty co-operation of all those in the school. He asked the pupils and teachers to feel that this was their own R. H. S. and have a common interest in the welfare of the school. Mr. Scholl paid a compliment to every one in the school for the splendid work done this year and for the spirit shown. He said that they were looking ahead to next year as a big year and he thanked all for their work and rejoiced with them over winning the track meet.

Mr. Curtiss recalled the meet at Connersville, and told in the many different ways members of the team were helped by the rigid and regular training they had received, and praised them for the hearty cooperation he had received. He then presented ribbons to the following winners: Leo McCoy, third place in the mile; Donald Mills, second in mile; John Keating, third place in the broad jump; Lotus Gartin, second in 880 yard dash, and second in the 440 yard dash, which was the most difficult dash of the meet; Hubert Alexander, second in 220 yard dash; Franklin Norris, third place in 440 yard dash, and first place for putting the shot; John Tompkins three firsts, hundred yard dash, 220 low hurdle and 120 high hurdle, and to Conwell Smith who won the separate medal and four ribbons, first in 220 yard dash, second in pole vaulting and second in putting the shot.

Following this several of the students made speeches, giving their opinion of the meet and praising the different members of the team. The local school won six firsts during the meet, out of the eleven awarded, and one first was tied. Mr. Curtiss presented the cup to the school on behalf of the team and A. M. Taylor, principal, accepted the

BIG SHOE BILLS NOT NECESSARY

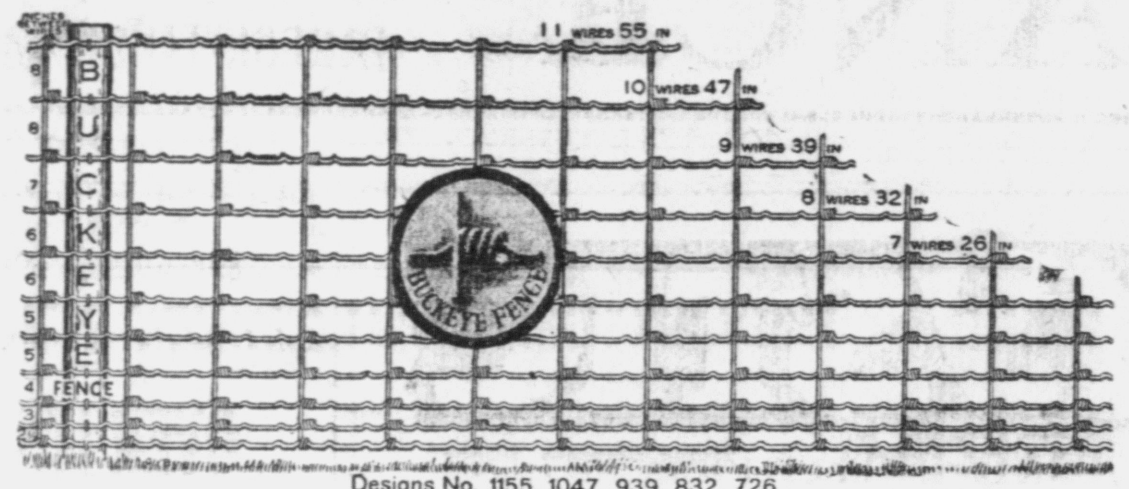

"It looks as if I would not be able to wear out my shoes with Neolin Soles. They have been in service about a year, and are still good," writes W. C. Dickinson of New Haven, Conn.

It is natural that shoes with Neolin Soles should wear a long time, for Neolin Soles give extra wear where most shoes wear out quickest.

These long-lasting shoes are made by Science to be especially tough and durable—comfortable and waterproof, too. If you want to save money on shoes buy them with Neolin Soles. Good shoe stores carry them in many styles for men, women, and children. And you can have your old shoes re-bottomed with Neolin Soles at any repair shop.

Sloan, manual training teacher, made a proposition to the school that if the team would win the meet at Shelbyville next Saturday, he would build a cabinet suitable for all the cups. Mr. Sloan has the plans ready for the cabinet and has begun the work, so confident is he they will win from Shelby.

The morning's program was ended with a series of yells, with the yell leader in charge. Judging from the "pep" shown, if there is anything in that, they should easily be the winners in the sectional and state meets.

TWELVE VILLAGES BEEN ADOPTED

American M. E. Church to Reconstruct Dozen on Chateau Thierry Battlefield

TO BUILD COMMUNITY CENTER

At Present Are Using French Motor Trucks and Drawing Supplies from Red Cross

New York, May 5.—Twelve villages on the battlefield of Chateau-Thierry, where United States soldiers and marines won undying fame by stopping the German drive on Paris at its spearhead early last summer, have been "adopted" for reconstruction work by the American Methodist Episcopal church. It was announced today by the Methodist Centenary Committee, 111 Fifth Avenue.

Bonneschies, Marx and La Thelle, names which will always live in American history, are three of the towns entrusted to the American churches by special arrangement with the Prefect of the Department of the Aisne and M. Lebrun, Minister of the Liberated Territory in the French Cabinet. The others are Bonnell, Mont de Bonnell, Azy, Nogentel, Vincelles, Monneaux, Montcourt, Crozy and Aulnois.

CHILDREN
Should not be "dosed" for colds—apply the "outside" treatment—
VICK'S VAPORUB
"YOUR BODYGUARD"—30¢, 50¢, \$1.20

The towns are in a district bordered on the north by Belleau Wood, changed by the valor of the sea-fighters of the U. S. Second Division to Bois de la Brigade de Marines (Marine Brigade Wood). The district is just northwest and west of Chateau-Thierry.

The city of Chateau-Thierry itself is not in the Methodist reconstruction territory, but will serve as headquarters for the Methodist workers.

An elaborate community centre will be built in Chateau-Thierry by the Methodists. This is an independent project, however, the physical rehabilitation of the city being entrusted to other forces.

The announcement of the Methodist plans was made by Dr. Ernest W. Bysshe, for ten years superintendent of Methodist missions in France, and on his arrival here from Paris. The Department of War Emergency and Reconstruction, Methodist Joint Centenary Committee has charge of arrangements here, including the forwarding of supplies.

"For the present we are co-operating with the American Red Cross and the French Government," said

Dr. Bysshe. "Our workers are already on the field and are in touch with the villagers. Supplies are being distributed by our force."

"In order to get the work started quickly, we are for the moment using French government motor trucks and drawing our supplies from Red Cross warehouses."

"We are sending our own supplies, however, from the United States in the Methodist relief ship, which will sail soon. It will bear essential articles for certain districts in France, Italy and the Balkans, as announced some time ago."

The Red Cross in Peace Time.

Red Cross Home Service workers aren't going to lose sight of any discharged disabled soldiers, according to a new plan being carried out by Lake Division headquarters, American Red Cross. Here's how they took care of one Ohio doughboy.

Home Andrews, who had been a coal miner, went over the top in a great drive and was gassed. The poison affected his lungs. After six months in a hospital in Europe he was sent back to a hospital in this country, better but not able to go back to the mine. Red Cross hospital workers sent his name and address to the After-Care Department, Lake Division. Home service workers in his home town visited his home, explained his condition to the family, and later persuaded Homer to take a course in vocational training offered by the government. Now he is well on his way to a new field of work where he will be able to earn more money than he did as a miner.

Other boys besides Homer are

It is indeed hard to stand at one side while the stream of life flows by. A man or woman condemned to sickness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure deserving sympathy.

Much sickness, pain, and misery result from disordered kidney and bladder. Failure of the kidneys to do their work properly and filter impurities out of the blood leads to rheumatism, backache, sore muscles, stiff or swollen joints, general aches, nervousness, biliousness, bladder weakness, nervousness, or other symptoms of kidney trouble.

Foley Kidney Pills

are effective in removing the cause of the trouble for they strengthen and cleanse the weak or deranged kidneys and help them to normal functioning so that the blood stream is purified and the cause of disease removed.

F. M. Platter (Brahman), Sec'y, Sacheman's Union, 515 Duane St., Peoria, Ill., writes: "Two bottles of Foley Kidney Pills relieved all symptoms of my kidney and bladder trouble, stopping the backache and pain, curing the kidney action, clearing secretion. I am also free from dizziness and floating spots before my eyes. Foley Kidney Pills saved me."

profiting by the scheme of co-operation that has been worked out between the Red Cross workers of the base hospitals and Home Service workers in the 369 Red Cross chapters in the Lake Division. Red Cross hospital workers scan the admission lists and notify Headquarters when a man who lives in the Lake Division is received at the hospital. This gives the Home Service workers an opportunity to get acquainted with his family and help them get ready for his return. A second notification goes out when the man is discharged. Then the Home Service workers are on hand to assist in preparing compensation claims, and advise about insurance jobs, and the training Uncle Sam is anxious to give every disabled man.

A Matter of Hygiene.

It would be malicious to suggest that the government has levied a tax upon young boys, secure in the knowledge that this could be done with impunity. Boys under twenty one do not vote, so that there is no danger of retaliation at the polls.

We do not take such an extreme view. The government has merely acted from inadvertence; but once the loss it is up to the government to bring about a slight readjustment, if possible.

To put a tax upon sporting goods used by youngsters was an error of the venal kind. The government has enough to do at all times, and lately has had rather more than enough to do. Faced at every turn with the necessity of determining fundamental questions of policy at the shortest notice it has found little time to devote to matters where fundamentals are not involved. Hence the injudicious tax on sporting goods.

There is no reason why a tax should be levied on a certain class of these articles. It takes very slight action to differentiate between goods of the kind that are merely luxuries used by the very wealthy and the essentials of healthy exercise necessary to bodily growth. A polo mallet is not likely to be purchased by a bricklayer's son. A base ball bat is.

There is wisdom in the principle that unnecessary diversions should yield revenue to the state. But the health giving exercise of children is more than a diversion. It is as necessary as food and clothing.

Italy got to the place where she wouldn't play in the back yard or slide down the cellar door with anybody. So she took her dolls and dishes and went home.

FOUR LAW SUITS TO
COLLECT INSURANCE

Cases Filed by Herschell H. Ruff of
Springport Brought Here on a
Change of Venue

ELEVATOR BURNED JULY 3, '8

Four damage suits, each for \$1,000, against as many fire insurance companies, to recover for the loss of the Springfield elevator in Henry county by fire on July 3, 1918, have been filed in the Rush circuit court, having been sent here from the Henry circuit court at Newcastle on change of venue. The suits were filed by Herschell H. Ruff, who owned the elevator at Springfield, on December 11, 1918. He alleges that none of the insurance companies is willing to make a satisfactory adjustment for the loss, which was complete.

The four insurance companies sued are as follows: the Royal Insurance company, Limited; the Phoenix Fire Insurance company of New York; the Sterling Fire and Marine Insurance company, and the Sterling Insurance company of Indianapolis. The complaint in the suit against the Springfield company says the defendants offered to settle for only one-fourth of the amount of the policy.

Voluntary Associations—The powers of voluntary associations organized to carry on the business of insuring titles to real estate, make abstracts, loans and collection of rents thereon.

TOWNSHIP BOUNDARY LINES—The power of county commissioners to change the boundary lines of townships or to consolidate two or more townships under the present law is unlimited. Under a new law of 1919 the boundary lines of townships except townships in which is situated a city having a population of 15,000 or more, cannot be changed unless a majority of the freeholders of the townships affected shall petition the commissioners to effect such alteration.

ONE MAN OPERATES BOTH TRACTOR AND IMPLEMENT

One Man Discs 27 Acres a Day with the New

MOLINE
UNIVERSAL TRACTOR
It Solves The Farm Help Problem

Discing is rapidly and economically done with the new Moline-Universal Tractor, Model D, one man with an 8-foot tandem disc harrow covering 27 acres in ten hours. With a 10-foot disc harrow he covers 38 acres, and with a 20-foot peg-tooth harrow 76 acres.

The light weight of the Moline-Universal Tractor, 3350 pounds, makes it especially adapted for discing and similar work, as it does not pack the soil and uses but little fuel, running on less than half throttle most of the time. It is light, but more than enough power to pull two 14-inch plows at high speed, all its weight being traction weight.

The Moline-Universal Tractor attaches directly to the implement and forms a single, compact unit with it that is controlled by the operator from the seat of the implement, where he must sit to do good work. One man with the Moline-Universal does as good work as two men with the average tractor.

The Moline-Universal is adapted for all classes of farm work. Its high

clearance, 29 1/2 inches, makes it ideal for cultivating, and it is equally well fitted for planting and harvesting. In addition, it has ample power for belt work, pulling a 24-inch grain separator or 18-inch ensilage cutter with ease.

There is work on the farm every day in the year for the Moline-Universal Tractor. It will do every field operation that can be done with horses and do it better, faster, and cheaper. This is why the Moline-Universal really replaces horses, and, at the same time, by enabling one man to do much more work than ever before possible, solves the farm help problem.

The detailed construction of the new Moline-Universal, Model D, is the best it is possible to manufacture. Perfected 4-cylinder overhead-valve engine, electric starting and lighting system, complete enclosure of all working parts, and fifteen Hyatt roller bearings, are a few of the main features.

We invite you to examine this machine at your earliest opportunity.

The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source. LAYMEN MAY BE MODERATORS NOW

Ruled out Enmasse Heretofore but Will Now be Recognized by the Presbyterian Church

SHOULD BE CONSULTED

Various Questions Confronting the Churches Have Made Cooperation Necessary.

(By United Press.)

St. Louis, Mo., May 5.—That for the first time in the history of the church a layman will be chosen Moderator is the prevalent belief here today of advance delegates to the 131st General Assembly of the Presbyterian Church in the United States which meets here May 15 to 25.

Laymen, in the past ruled out as delegates to the assembly, will attend in masse this year, following the ruling adopted by the convention last year that in the future big business men were to be elected by any presbyterian so desiring and that they would be eligible for the office of Moderator.

Belief that laymen as well as the clergy should be consulted in determining the policy of the church to church unity of various denominations, Bolshevism, capital and labor and the League of Nations, led to the removing of the bars.

Among the important church matters to be considered simultaneously at the Assembly here and the Southern Presbyterian Church at New Orleans will be the proposition to merge the general assemblies of the American church.

Among the delegates of the Laymen's Council, who are expected to attend the assembly this year, Dr. John Willis Racer, Pasadena, Calif.; Nelson H. Loomis, Omaha, Neb.; William A. Harbison, Pittsburg, Pa.; Robert Dollar, San Rafael, Calif.; Frank J. Loesch, Chicago; Henry P. Crowell, Chicago; Robert Johnston, St. Louis; Chas. Lukens, Huston, Coatsville, Pa.; James P. Goodrich, Indianapolis; Edna M. Bulkley, New York; Alva B. Johnson and John Wanamaker, Philadelphia; Robert Garrett, Baltimore; A. H. Whitford, W. A. Rogers, D. S. Alexander, Buffalo; Wilson A. Shaw, Pittsburg, Pa.; James A. McNary, El Paso; William Livingstone and Henry Leland, Detroit; Sereno P. Penn, Cleveland; D. D. Dayton, Minneapolis; E. R. Brown, Dallas and J. B. Welsh, Kansas City.

Among the laymen who are being mentioned as possible Moderators are John T. Manson president of the First National Bank of New Haven, Conn.; Alexander R. Nichol, of New York and A. A. Hyde, Wichita, Kansas. Hyde has given more than a million dollars to the church benefices.

GUARANTORS TO MEET

The annual meeting of the guarantors of the Rush County Chautauqua association will be held tomorrow evening in the law office of T. M. Green, president of the association. The principal purpose of the meeting will be to elect three new directors to take the places of T. M. Green, F. E. Wolcott and Dr. D. H. Dean.

Coming Events Cast Their Shadows

Prepare Now to Withstand the Crisis.

Do not anticipate with a shuddering dread the beautiful event of childbirth. You can avoid discomfort during the period and strain at the crisis by preparing your system and putting yourself in splendid condition to meet the time.

For just this purpose women all over the land, in every walk of life, have used for over half a century the time-honored and famous remedy, Mother's Friend. It is prepared to give the mother-to-be that direct help she needs. The muscles, nerves, tendons and cords are made and kept soft and elastic. Thus strain is avoided, and as a result nervousness, nausea, bearing-down and stretching pains are avoided.

The abdominal muscles expand easily and gently when baby is born. Naturally, pain is less and the hours are fewer. The system is prepared and the crisis is one of much less danger.

Write the Bradford Regulator Company, Dept. M, Lamar Building, Atlanta, Georgia, for their helpful Motherhood Book, and obtain a bottle of Mother's Friend from the druggist today. It is just as standard as anything you can think of.

And remember, there is nothing to take the place of MOTHER'S FRIEND.

The Cash Value of Public Opinion

Like a dirty, frayed collar on a man in a \$60.00 suit, an "untidy" fence discounts a fine farm in public opinion.

And as a clean collar offsets to a great extent the frayed "hand-me-down," a Page fence adds dignity and prestige to the humblest farm home.

Your banker, your storekeeper, your neighbors, the man who may be looking around to buy a farm—their opinions are based partly—sometimes strongly—upon what they see.

And their opinions have a cash value that will be a big asset to you in your business transactions with them.

A PAGE FENCED FARM IS NOT ONLY THE SIGN OF A GOOD FARMER

But is also reliable evidence that the good farmer HAS A GOOD FARM. The reputation of your farm is a business asset which deserves protection.

We sell Page, Elwood and American Fence.

We give 5% off for cash.

HIGH AVERAGE VALUE IS BEING MAINTAINED

Last Two Weeks Report Made by County Assessor Shows Assessments Are Kept Up

ASSESSING TIME ENDS MAY 15

The high average value being placed on personal property for taxation purposes by the township assessors of Rush county and their assistants, is being maintained, according to the last report sent to the state board of tax commissioners by Earl Priest, county assessor. No report has ever been compiled on real estate, but Priest is certain, from the reports he has received, that the average will range from \$140 to \$150 an acre for farm lands and improvements.

The personal property assessment books must be in the hands of the auditor by May 15 in order for the books to be sent away for binding and be returned by June 1 when the board of review goes into session. The assessment of real estate will not close until June 1.

The county assessor has learned that the better class of real estate is being assessed in Fayette county at from \$150 to \$200 an acre. It is the aim in Fayette county, he says, to make real estate and improvements average \$125 an acre.

The general average on personal property here for the several items of personal property, which covers all kinds of household goods and tools and all ages and classes of live stock, is as follows: horses \$108.34; cattle \$64.03, hogs \$18.54, sheep \$10.84, automobiles \$382.87, tools \$193.81 and household goods \$134.45.

May Benefit by the Remedy Mrs. Little Recommends for Nervousness

Whitman, Mass.—"I suffered from a nervous, rundown condition and loss of strength so it was hard for me to get around and do my work. After other medicines had failed to help me Vinol restored my health and strength and I heartily recommend it to any one suffering from a nervous, run-down condition."—Mrs. R. M. Little.

There is no secret about Vinol. It owes its success to beef and cod liver peptones, iron and manganese peptones and glycerophosphates, the oldest and most famous body building tonics. We strongly recommend it. For sale by F. B. Johnson & Co., Druggists, and Druggists Everywhere.

VIRGINIAN GOT D. S. C. AWARDED IN BERLIN

Major Lindsley Sylvester Receives the Medal For Bravery Along the Marne.

IN THE AMERICAN EMBASSY.

Berlin, (By Mail.)—Major Lindsley M. Sylvester wears the only Distinguished Service Cross to be awarded in Berlin. The Major is a Virginian. He won his D. S. C. last summer along the Marne. His dug-out was the only protection in a particularly hot sector that could be used for the wounded. The Major moved his battalion headquarters out in the open trench, to make place for the wounded, and for two days directed his men from no cover at all, with shrapnell and high explosive shells raining over the area.

When the award finally came through, Major Sylvester was in Berlin with General Harries' prisoner mission. General Harries presented the medal in the old American embassy on Wilhelmplatz, in the presence of British and French Generals.

George Bryant of Andersonville was operated on at the Memorial hospital in Connersville yesterday for peritonitis by Dr. J. C. Sexton. Mr. Bryant was brought here for operation but as there was not room he was taken to Connersville. He was operated on on before for peritonitis and abscess of the bowels.

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Rushville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

A. M. Younger, retired farmer, 828 W. Tenth St., Rushville, says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I he is apt to have more or less trouble with his kidneys. At times I have had a dull ache across the small of my back and my back has been weak and lame. Then the kidney secretions have been too frequent in passage, causing me to get up at night. Every time I have been that way, I have bought a box of Doan's Kidney Pills at Johnson's Drug Store and they have never failed to relieve me in a short time."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—(Adv.)

THE NATIONALLY-KNOWN AMERICAN-MADE WHITTALL RUGS

Contain all the art, beauty and fineness of coloring of the Oriental, but AT A MERE FRACTION OF THE PRICES OF ORIENTAL

Knowing the appeal which the beauty and practicability of the Oriental Rug makes to the artistic home maker we have endeavored to give to our public

A Rug just as well made as the Oriental, just as beautiful, and with the same wearing qualities as the finest Persian carpet, but at a fraction of the prices of the hand-woven Oriental.

We feel safe in saying that Whittall Anglo-Persian Rugs are all of this, because they have long stood unequalled at the very apex of Carpet excellence, and are the most successful rival of Oriental Rugs manufactured in America or elsewhere.

This year we show the largest assortment of Whittall Rugs that we have ever had, and the newest and choicest designs. Among them you will find exact copies of the finest Persian Carpets, such as Antique Kashans, Kabistans, Kazaks, Soumaks, Gorevans, Saruks, Kerman-shahs, Sennahs and many other fine pieces recognized by experts and connoisseurs as the superior of all other designs.

We wish to emphasize the fact through the very extensive and particular study which the Whittall designers have given these rugs the colorings and patterns have been reproduced with greater perfection and more minute fidelity to the originals than ever before.

Anglo-Persian Rugs are adapted to all uses in the home; and are shown in tones that will harmonize with any scheme. The size range is large.

These Are The Sizes Of The Rugs

22 1/2 x 36 inches	27 x 54 inches
36 x 63 inches	4-6 x 7-6 feet
6 x 9 feet	6-9 x 12 feet
8-3 x 10-6 feet	9 x 12 feet
9 x 15 feet	10-6 x 13-6 feet
11-3 x 15 feet	

Whittall Hall Runners In The Following Sizes:

2-3 x 9 feet	2-3 x 12 feet
2-3 x 15 feet	3 x 9 feet
3 x 12 feet	3 x 15 feet

Anglo-Persian Rugs can be made in special sizes to fit any room or hallway if the stock sizes will not meet your needs.

MORE RED BLOOD AND STEADIER NERVES FOR RUN DOWN PEOPLE

The World Demands, Strong, Vigorous, Keen-Minded, Men and Women

It has been said of Americans that they work their habits overtime.

Many become nervous and inefficient by overwork.

By worry, despondency, social affairs, robbing brain and body of needed rest; excessive use of tobacco, indulgence in strong alcoholic drink—excesses of every kind that burn up the vital powers so necessary in these trying times to make both men and women fit to be of help to themselves and others.

It is time to be temperate in all things. The man or woman with impaired nerves caused by impoverished blood lacks vigor, the ambition, the endurance and the keen mind of those who avoid excesses.

Timidity, despondency, fear, trembling hands, want of confidence and even cowardliness, are due in a large measure to abused nerves.

People with plenty of red blood corpuscles and strong, healthy nerves have no desire to shirk work and lean on others for guidance and support.

There is hardly a nerve-shattered man or woman (unless of an organic disease) in America today who cannot become alert and clear in mind; vigorous and energetic in body in a very few weeks and at trifling cost.

To become strong and ambitious, to feel that work is not drudgery; to have steady nerves, abundance of red blood and power of endurance; to be not only a man but as men now go, a superman, you must take seven tablets of Bio-feren every day for seven days—and take them faithfully.

Take two after each meal and one at bedtime and after seven days take one only after meal until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if your nerves are not twice as steady as before; if you do not feel ambitious, more vigorous and keen-minded, the pharmacist who dispensed the tablets to you will gladly hand you back just what you paid for them.

Bio-feren is without doubt the greatest remedy for nervous, rundown, weak, anemic men and women ever offered direct through druggists and is not at all expensive. All druggists in this city and vicinity have a supply on hand—sell many packages.

Among them are: Dr. G. H. Sumner, Des Moines, Ia.; A. W. Hedrick, Boston; Dr. A. J. McLaughlin, Washington, D. C.; Dr. W. C. Woodward, Boston; Dr. Chas. J. Hastings, Toronto, Can.; Peter H. Bryce, Ottawa, Can.; Dr. W. A. Evans, Chicago.

M. M. DEGREE TUESDAY

There will be work in the M. M. degree on a class of candidates at a meeting of Phoenix lodge No. 62, F. & A. Masons, Tuesday evening at 7:30 o'clock. Visiting Masons will be welcome.

STATE SUPT. HINES
SPEAKS HERE TONIGHT

Will Address Meeting at Graham Annex on Subject, the Public and Its Schools, at 8 p. m.

TALKS TO TEACHERS AT FOUR

The public is cordially invited to attend a meeting at the Graham Annex Auditorium tonight, to hear State Superintendent of Instruction, L. N. Hines on the subject of "The Public and Its Schools." This will be Mr. Hines' first visit to Rushville since he assumed his present office March 15 this year. Mr. Hines is a man of broad school experience and his address will interest all.

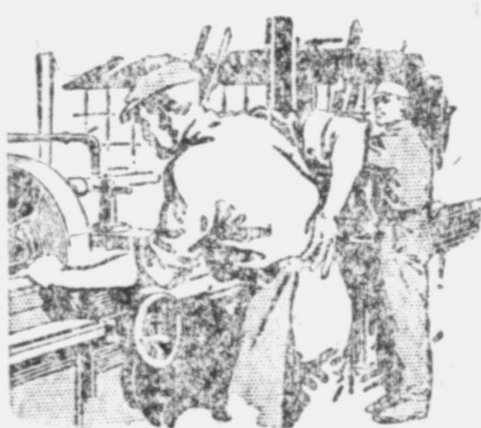

Mr. Hines was to meet with the teachers at 4 o'clock this evening and discuss some of the new laws passed at the last session of the state legislature.

Two reels of travel pictures will be shown tonight at the meeting. These will show scenes in Japan and in England. The admission is free this evening and all are cordially invited to attend. The address will begin at 8 o'clock. The doors will be open at 7:30.

LOCAL CITIZENS, TO RIDE

Commercial Airplanes Will be Brought Here For That Purpose

The view of Rushville citizens soaring about in the air in airplanes is in prospect here. So many local people have expressed a desire to take a flight, no matter what the cost, that Elmer Caldwell expects to have some machines brought here some Sunday in the near future from the commercial flying field at Wabash, Ind. He is making contracts with those who want to know the sensation of flying and when a sufficient guarantee is obtained, a date for the event will be fixed. The idea was suggested by a visit at the field of John Bowles and P. A. Newhouse, county commissioners, and Hal Green, county highway superintendent, who took a ride.

Cough! How my back aches! After influenza or colds the kidneys and bladder are often affected—called "nephritis" or inflammation of the kidneys. This is the red-flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful new discovery of Dr. Pierce's known as "Anurie" (anti-uric), because "Anurie" expels the uric acid poison from the body and cures those pains, such as backache, rheumatism in muscles and joints.

Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations.

Dr. Pierce's Anurie is many times more potent than lithia and often eliminates uric acid as hot tea melts sugar.

Gosien, Indiana.—"For many years I have been a great sufferer with kidney trouble and rheumatic pains through my hips, extending down into my knees. At times I would be so stiff I could not get up or down. I had scalding urine; it would be very dark colored, and there would always be a sediment in it. I also had difficulty in voiding, only a little at a time, and then only with great pain. I have taken many remedies with little or no relief. Quite recently I learned of 'Anurie' and began taking it. I have hardly taken one bottle but I am much improved. I have no scalding, excretion comes with ease and comfort and the color is perfectly normal. I am feeling much better in every way than I have for some time past. I am sure I have found the right medicine in 'Anurie.'"—(Wan. Marker 110 N. 2nd Street.

Janesville
Two-Row Cultivator

WHEN you sit comfortably on the easy riding Janesville Two-Row, and see every plant in every row getting *exactly the cultivation you want it to have*, you think what a blessing it is that you have a machine to do *all that work*. The old timers would think so if they could see you getting over the field so rapidly, and doing the work better than they ever did.

The Janesville Floating Arches solve the problem. They are hung by pendulums from the top bar and swing from side to side with a pendulum movement. You widen or narrow the gangs in the row with your feet. Or lock them at any width desired.

The shovels naturally follow the rows, but you can shift them to either side so quickly and so easily that you can hoe every hill without stopping the team.

Your own weight on the seat bars acts as a lever to turn the wheels slightly up hill—this big advantage takes the down-hill creep out of side-hill plowing. The entire machine is light, compact, flexible—no oiling needed except in wheel boxes.

Cultivate with a Janesville Two-Row—and you will forget that there ever was hard work in cultivation.

PLANS FOR YEAR'S WORK

Suffragists Discuss Organization of Franchise League Today

Indianapolis, Ind., May 5.—Suffragist leaders formed plans for the year's work, discussed the organization of the Women's Franchise League of Indiana and took up the

special needs of each district of the state in a meeting here today.

The organization plans will be turned over to the 225 presidents of branch leagues in every part of the state to be put into effect.

Besides the executive committee of the league, state organizers, chairmen of standing committees and other state workers attended the meeting. The state board of directors will meet tomorrow.

Amusements

Maggie Pepper at Princess

Rose Stahl's greatest dramatic success, written by Charles Klein, was "Maggie Pepper," and it had its first presentation in December 1911, at the Harris theatre, New York City. Undoubtedly one of the most successful stories ever staged, this play presents a remarkable human touch which immediately met with approval. A picturization of the play will be given at the Princess theatre tonight.

There has probably been no play of recent years in which the element of heart interest has been so compelling as in this romance of a department store employee, for Maggie Pepper, head of the silk department, for fifteen years has had nothing but the commonplace of business in her thoughts until suddenly she becomes obsessed with the desire to enter society. This she does with complete success and wins the admiration of a man who turns out to be the head of the firm, recently returned from a long sojourn in Europe. He makes Maggie manager of the business, but the scandal spectre stalks about and to save the situation she resigns. Through many trying situations Maggie's love remains steadfast and ultimately triumphs.

New Star at the Mystic

According to advance reports, the Mystic theatre is to have another important photoplay Tuesday. On that day will be shown a new William Fox star, Albert Ray, and a new leading lady, Elmer Fair. They will be seen in a comedy drama called "Married in Haste," a five-reeler that is said to be bulging with humor, but with a few serious incidents thrown in. It is a story of the training of a young spendthrift. Through a scheme of his bride he is made apparently penniless in the midst of a host of unpaid bills. His wife wants to force him to be a business man and soon afterward he changes from a full dress suit to the clothes of a workman, begins to climb and finally turns out to be a shrewd business man.

Arthur Rosson, who has made some very fine motion pictures, was brought under the Fox banner especially to direct this photoplay.

ITALIANS GOING TO CONFERENCE

Peace Delegation is Returning to
Paris, Italy's Ambassador to
France is Informed

COMPROMISE IS IN PROSPECT

Secret Plenary Session of Confer-
ence Tomorrow to Consider
Completed German Treaty

(By United Press.)

Basle, May 5.—A dispatch from
Vienna today reported the allies had
invited the Austrian peace delegates
to Germain on May 12.

Rome, May 5.—The population of
Zara at a mass meeting proclaimed
annexation of that Dalmatian city
to Italy, it was announced today.

Brussels, May 5.—The Belgium
crown council voted unanimously
last night to sign the peace treaty
with Germany.

Paris, May 5.—The Italian dele-
gates are returning to Paris, the
Italian ambassador informed For-
eign Minister Pichon this afternoon.

The ambassador said that Premier
Orlando and Foreign Minister Son-
nino are leaving Rome tonight and
will arrive here Wednesday morn-
ing.

The Big Three, it was learned
from an authoritative source, is
considering a plan whereby Finp
would become a free port under the
league of nations for three years,
pending construction of a Jugo-Slav
port.

A secret plenary session of the
peace conference will be held tomor-
row, at which the completed German
treaty will be discussed, it was an-
nounced today. The meeting is ex-
pected to be brief. Credentials of
the German peace delegates have
been accepted, it was also announ-
ced. The German envoys are empow-
ered to represent the entire coun-
try, including Bavaria, by a law en-
acted at Weimar. The Germans also
accepted the allies' credentials, in-
cluding those of the Jugo-Slavs.

With the treaty understood to be
completed, the time for submission
to the German delegates is now fixed
for Thursday afternoon. The fif-
teen-day limit for acceptance of the
terms would require the Germans to
sign the treaty not later than May
21.

Immediately after presentation of
the German treaty, the Big Three
will begin assembling the articles of
the Austrian pact, according to au-
thoritative information. It is gen-
erally understood a formal invitation
has been dispatched to the Austrian
government to send its delegates to
the peace conference. Unofficial in-
formation has been received that the
Austrians probably will arrive in
St. Germain a week from today.

President Wilson, Premier Lloyd
George and Premier Clemenceau
visited Trianon palace at Versailles
this afternoon to inspect arrange-
ments being made for signing the
peace treaty.

The Italian ambassador to Great
Britain will attend the first peace
meeting of the league of nations
this afternoon, according to au-
thoritative information.

Arrangements are being made to
receive the Bulgarian and Turkish
peace delegates. Six Frenchmen ex-
amined the housing facilities of the
St. Cloud and Bellevue hotels with
the idea of establishing quarters in
these hotels.

Trans-Atlantic Flight

(By United Press.)

New York, May 5.—United States
naval fliers will begin their trans-
Atlantic flight probably tomorrow
shortly before noon, according to
Rockaway Point air base today.
The start of the fliers will depend
upon the weather conditions.

Newfoundland, May 5.—Six Amer-
ican destroyers have been re-fuel-
ed and were expected to start today
for the Azores to form part of the
bridge of boats for the naval trans-
Atlantic flight. The weather was
clear and cold. The air was consid-
ered perfect.

Y.M.C.A. PLAN MAY BE CONSIDERED HERE

Scheme of Community Work Will be
Presented Here if Sentiment
Seems to Favor It

R. L. DONNAN MAY BE INVITED

That Rush county will be given
an opportunity to try out the Y. M.
C. A. plan for community develop-
ment, which program is being ear-
ried out in many counties, is indi-
cated by the announcement that R.
L. Donnan of Indianapolis, state
secretary for county development
work, will be invited to lay the plan
before a representative group of
Rush county men, providing any
sentiment is found here to consider
the project.

The Y. M. C. A.'s scheme of work
in Indiana counties, without the er-
rection of a Y. M. C. A. building,
was one of the foremost subjects
discussed at the recent conference
of representatives from several
counties at Greensburg. Dr. D. Ira
Lambert of this city attended the
conference and has since been ap-
pointed the chairman for the work
in this county. He proposes to in-
vite representatives from every
community in the county to hear an
outline of the plan by Mr. Donnan,
in a few weeks, if sentiment here
seems to favor giving the project a
hearing.

The plan calls for the employment
of a permanent secretary, with of-
fices in the county seat, who would
devote all his time to work in all
parts of the county.

HOLE EVIDENCE OF NEAR NIGHT TRAGEDY

Unknown Motorist Plows up Pen-
sylvania Flagman's Flower Bed
to Escape Being Hit

TRACKS REVEAL HIS COURSE

A big hole plowed in the dirt at
the east edge of the pavement, only
a few feet from the Pennsylvania
crossing in Main street, was the
only evidence left today of what
might have been a grim tragedy. All
the tracks which the motorist left
disclose what a very narrow escape
he had from being struck by a train
some time last night.

The driver apparently was almost
on the crossing when he either heard
or saw the train. He veered to the
right, barely missing the curb, struck
a telephone pole, evidently with the
left side of the machine's bumper,
and headed straight for the flag-
man's house. He avoided that catas-
trophe by plowing up the flower bed
which Flagman Warth had been
carefully nursing along this spring.
The tracks early this morning in-
dicated that the motorist backed
out of the flower bed, made a wide
turn and went down Goshall
avenue, apparently unharmed.

COUNTY REPORTED OVER ITS QUOTA

Banks Absorb Difference Between
Allotment and Actual Sales to
Go Over The Top

NUMBER SUBSCRIBING SMALL

People Will Not Have Discharged
Full Duty Until Every Bond of
Victory Issue is Bought

Rush county was reported over
the top in the Victory Liberty loan
Sunday, the banks of the county
having assumed the difference be-
tween the actual sales and the quota
of \$825,000.

Because the allotment has been
reported taken, does not mean that
people should stop buying bonds. It
is the intention of the government
that the banks shall not hold any of
the bonds, but that they shall be
taken by the people. The banks will
be called on to underwrite future
loans and the government policy is
that they shall not be encumbered
with bonds of the Victory issue on
their hands.

It was pointed out today that the
people of Rush county will not have
discharged their full duty to their
country, as well as have paid off
their debt to the fighting men who
gave their lives, until every cent of
the Victory quota is taken.

There is no mistaking the fact that
the Fifth loan has not gone
over as it should—that the people
of the county have not subscribed
with the same spirit of devotion to
country as they did in former loans.

This is disclosed by a comparison
of the number of subscribers to the
Victory loan with the number who
took bonds of the fourth issue. Ac-
cording to the last report from the
seventh district federal reserve bank
at Chicago, covering the reports
from the thirteen banks of the coun-
ty, there had been at that time only
778 subscribers to the fifth loan.
This is quite a contrast with the 3,
200 subscribers in the county to the
Fourth Liberty loan.

It is conservatively estimated that
there will not be many in excess of
twelve hundred subscribers to the
Victory issue, which would make the
average subscription slightly less
than \$700, whereas the average sub-
scription in the fourth loan cam-
paign was about \$340.

It is confidently believed that a
thorough canvass, such as was
made in previous loans, was not
conducted in any township in the
county, with one or two rare excep-
tions. Only \$137,450 in sales by
canvassers have been reported to T.
M. Green, county director of sales.
It is known that some sales were
made by solicitors which were not
reported, but the bulk of the bonds
were sold by the banks or were
taken voluntarily. Walker township
reported additional sales amounting
to \$12,000 today, and Anderson
township \$500.

VERDICT AGAINST HEADLEE

Jury Reaches Agreement in Peace
Bond Case Saturday Evening

The jury in Squire Steel's court,
which heard the surety of peace
proceedings against Harry Headlee
of Shelbyville, found in a verdict
returned about 6:30 Saturday even-
ing, that his former wife, Mrs. Lucy
Headlee, who filed the affidavit, has
just cause to fear Headlee, and he
was placed under \$100 peace bond
by the squire. The costs, amount-
ing to \$59.85, were adjudged against
Headlee. State's witnesses were An-
gus Coers, Lester Koppell, Emer-
son Banigrover, Trusky Kuntz, La-
vanche Coers, Florence Coers and
Ed Rader. Headlee had no will-
ingness to appear.

DEFENDANTS IN DAGLER CASE

Motions of Defendants to Strike Out
Parts of Complaint and Inter-
rogatories Sustained

The May term of the Rush cir-
cuit court opened today with most
of the morning being devoted to the
case which William Dagler, a retired
farmer of this city, brought against
Alva N. Harrold, living west of the
city, and eight other defendants, to
recover in excess of \$50,000 alleged-
ly due him because of land trades he
made with the defendants. He
charges that the Ohio, farm for
which he traded Rush county and
Morgan county, Indiana, farms was
misrepresented.

In connection with the civil suit,
is the indictment against three of
the defendants, William Sanford
and son, Stanley J. Sanford, and the
latter's wife, Lottie Sanford, all of
Oceola, Michigan, who appeared
before Judge Sparks this morning.
They entered into a continuing re-
cognizance in the sum of \$1,000 for
each defendant.

The specific charge in the indict-
ment is defrauding creditors. It is
alleged that they were parties to
the conveyance of the real estate
here, which was formerly owned by
Mr. Dagler to, hinder, delay and
defraud creditors.

The court this morning sustained
the motion of the defendants to
strike out parts of the complaint
filed by Mr. Dagler, with exceptions
to the plaintiff. The motion of the
defendants to strike out the interro-
gatories presented by the plaintiff
was also sustained.

Three other suits were dismissed
by the court this morning. Two
cases of Marshall Green against
the Big Four, one for \$700 dam-
ages and the other for \$150, were
dismissed and the costs paid. A
written motion of the plaintiff in
the case of Harry J. Becker against
George Gray, on an account for
\$360, to dismiss, was sustained.

OPEN BIDS ON TRUCK TODAY

Commissioners Award Contract For
J. D. Todd Road For \$19,000

The county commissioners began
opening bids on a motor truck, to be
used in maintaining roads, about
three o'clock this afternoon. This
was the regular monthly meeting of
the board.

The board late Saturday after-
noon awarded the contract for the
Jacob D. Todd road in Center town-
ship to Charles E. Reddington of
Greensburg for \$19,000. The road
will be part concrete and part grav-
el. Mr. Reddington was awarded
the contract to build the Chester
Cross and Fred McManus ponds in
northern Rush county a week ago
Saturday.

CALL FOR JUNE 1 EXPECTED

Special Session of Congress Will

(By United Press.)

Washington, May 5.—The state-
ment in Paris that the Italian situ-
ation is apparently clearing led to
the authoritative prediction here to-
day that President Wilson will call
the extra session of congress before
June 1, possibly May 26. Informa-
tion has been received that Presi-
dent Wilson would call the extra
session about June 1 and would ar-
rive in this country just before the
day set for congress to convene.

James Hobbs of Near Orange and
Sergt. Montague Arrested After
Eloping With Girls

PARENTS RAISE OBJECTIONS

The county jail today was hous-
ing two prisoners, both former sol-
diers and both accused of the same
offense—contributing to the delin-
quency of a minor.

James Hobbs, son of James
Hobbs, Sr., of near Orange, who
eloped to Newport, Ky., Saturday,
with Leila Cross, age sixteen years,
daughter of Irvin Cross, was ar-
rested by Sheriff Jones here yester-
day when the girl's father filed an
affidavit against him.

Sergeant Montague, who appeared
at a local theater last week, ran off
with Elsie Hardin, age sixteen years,
daughter of Mr. and Mrs. William
Hardin, Saturday night, and Sheriff
Jones was asked to arrest them.
They were thought to have gone to
Pendleton, and the police there and
likewise at Indianapolis were noti-
fied. The sheriff received word this
morning that the girl was in the de-
tention house and the former sol-
dier in jail in Indianapolis, and he
started after them about ten o'clock,
returning here this afternoon. Sergt.
Montague, who has a stiff left leg
from a wound in the knee, and
whose right arm is off at the elbow,
is a Frenchman.

WILL GUARD AGAINST REVIVAL SUNDAY RIOT

Strong Guards Patrol Streets of
Gary to Prevent Recurrence of
Outbreaks by Radicals

MANY PLACED UNDER ARREST

(By United Press.)

Gary, Ind., May 5.—Strong guards
were patrolling the streets here to-
day to guard against a revival of
the radical riots of Sunday. Sixteen
battered radicals were in jail await-
ing action by municipal and federal
authorities. Many others arrested
in the battle in which it was es-
timated between 4,000 radicals and
3,000 policemen, state militia, fed-
eral, state and county agents and
patriotic citizens took part, were
released on their promise to get out
of town.

Battles were precipitated by the
refusal of the radicals to disperse
and their attempts to hold a parade
in violation of Mayor Hodge's or-
ders.

Socialists, it was said, were the
moving spirit in the radical battles.
Pictures of Lenin and Trotsky
were carried by many groups. Po-
lice went into the high wearing
revolvers in their belts. A company
of state militia charged up and
down the streets, clearing the rad-
icals out of the way. Many hun-
dreds of patriotic citizens, most of
them armed, joined the policemen.
The radicals were driven into small
detachments and scattered.

SCORES FROM HERE TO ATTEND EVENT

Making Plans to be Present for
Welcome Home Celebration in
Indianapolis Wednesday

LOCAL COMMITTEE MET TODAY

Elaborate Preparations Are Made
For Care of Immense Crowd
Which is Expected

The committee which will re-
present Rush county at the
Welcome Home celebration in
Indianapolis, decided this after-
noon to leave Wednesday morn-
ing at 7:32 on the I. & C. trac-
tion line.

The Rush county committee of
twelve, which will represent the
county at the official Indiana wel-
come to returning soldiers, was
called to meet in the court house at
two o'clock this afternoon to organ-
ize and arrange to attend the wel-
come home day events in Indianap-
olis Wednesday in a body.

Although very few, if any, former
Rush county soldiers will be in uni-
form and participate in the parade,
scores of Rush county people have
made plans to attend. Indications
today were that the weather would
be fair.

The committee in charge of the
celebration anticipate that 130,000
visitors including soldiers, sailors,
marines, nurses and welfare workers
will have place in the parade. Ample
provision has been made for hous-
ing and feeding the largest crowd
Indianapolis has ever entertained.

Twenty-one bands will be in the
procession and stationed at places
along the line of march. There will
be 25 water barrels on various
street intersections, 30 information
bureaus, 20 rest rooms and the first
aid stations, and the grand stands
will seat 13,000 people exclusive of
private facilities for viewing the
pageant. The official reviewing stand
will be at the old Public Library,
Ohio and Meridian streets.

Boy scouts and high school cad-
ets will aid in the maintenance of
information booths and in policing
the 48 city blocks which will be trav-
versed.

The elaborate program arranged
to emphasize the state's welcome to
its fighting men is packed with spec-
tacular features. The Victory Arch
at Meridian and the south approach
to the Circle is practically com-
pleted. The monument will be con-
verted into a Court of Honor, and in
north of Meridian street will be the
Court of the Allies, being a repro-
duction of the New York Victory
Way. Fourteen beautiful Indiana
girls will be stationed on pedestals
to strew with flowers the path of
the soldiers.

Every factory, office and store
will be urged to close for the day. A
request is made by Governor J. P.
Goodrich in his official proclamation
in designating May 7 as Welcome
Home Day, that all business in the
state cease on that day.

The chief marshal's headquarters
will be at Senate avenue and Wash-
ington street. The first division will
be infantry with head of the column
at Missouri street facing east on
the south side of Washington street
and the right resting on Missouri
street extending west and Washing-
ton street.

The second division will be com-
posed of artillery units, and will be
headed by the 150th Field Artillery.
Engineers, signal corps and
machine gun troops will form the
third division. The head of which

The Consumer and The Standard Oil Company (Indiana)

THE Standard Oil Company (Indiana) always has recognized the men and women who use its products as the ultimate judges of the success of the Company's earnest effort to render a superior service.

The Standard Oil Company (Indiana) conducts its business with but one goal as an objective—that every individual purchaser of Standard Oil products shall experience complete satisfaction with every purchase.

When the Company reaches this goal, then, and only then, will the Board of Directors, acting as Trustees for the 4623 stockholders, feel that their ideals have been realized.

Neither the Company, nor the patrons, can be satisfied unless the product is uniformly up to the highest standard of excellence—unless it can be bought without inconvenience—unless the price charged represents true value.

To bring about this degree of satisfaction, unerring accuracy in manufacture, complete distribution, and efficiency in keeping down operating costs are essential.

Working without precedent, but with high ideals, integrity of purpose, and a keen sense of its obligation as a public servant, the Company believes it has succeeded.

The judgment of the consuming public has been for the most part favorable to the Company, as is shown by the ever increasing volume of business which the Standard Oil Company of Indiana is enjoying.

The best friends of the Standard Oil Company of Indiana are those customers who have used its goods, and its service, for the longest time.

JUBILEE IS HELD AT HIGH SCHOOL

Pupils and Teachers Join in Celebrating Victory of Track Team in Triangular Meet.

RIBBONS ARE AWARDED TODAY

Sweaters Are Also Presented to Eight Members of Basketball Team—Short Talks Made.

This morning was one of the most memorable in the history of Rushville high school. During the morning the school was called to the assembly room and the teachers, pupils and all took part in the celebration of the winning of the triangular track meet at Connersville last Friday. The R. H. S. sweaters were given to members of the basketball team for the splendid work did during the season and for the splendid spirit shown. The ribbons were also presented to those winning the several events of the meet. Conwell Smith receiving the highest number of points in the meet, was awarded a special gold medal.

Glen Curtiss, coach of the basketball team, acted as chairman for the meeting and gave the much coveted sweater of R. H. S. to the following players: John Keating, Franklin Norris, John K. Tompkins, Cyril Caron, Harold Miller, Charles Becker, Oliver Dill and Emerson Headlee. Headlee was announced as captain for the next year.

Supt. J. H. Scholl then gave a short talk, thanking the boys of the team for the interest shown and the hearty co-operation of all those in the school. He asked the pupils and teachers to feel that this was their own R. H. S. and have a common interest in the welfare of the school. Mr. Scholl paid a compliment to every one in the school for the splendid work done this year and for the spirit shown. He said that they were looking ahead to next year as a big year and he thanked all for their work and rejoiced with them over winning the track meet.

Mr. Curtiss recalled the meet at Connersville, and told in the many different ways members of the team were helped by the rigid and regular training they had received, and praised them for the hearty co-operation he had received. He then presented ribbons to the following winners: Leo McCoy, third place in the mile; Donald Mills, second in mile; John Keating, third place in the broad jump; Lotus Gartin, second in 880 yard dash, and second in the 440 yard dash, which was the most difficult dash of the meet; Hubert Alexander, second in 220 yard dash; Franklin Norris, third place in 440 yard dash, and first place for putting the shot; John Tompkins three firsts, hundred yard dash, 220 low hurdle and 120 high hurdle, and to Conwell Smith who won the separate medal and four ribbons, first in 220 yard dash, second in pole vaulting and second in putting the shot.

Following this several of the students made speeches, giving their opinion of the meet and praising the different members of the team. The local school won six firsts during the meet, out of the eleven awarded, and one first was tied. Mr. Curtiss presented the cup to the school on behalf of the team and A. M. Taylor, principal, accepted the

trophy, stating that it would be kept in a conspicuous place with the rest of the prizes. John F. Sloan, manual training teacher, made a proposition to the school that if the team would win the meet at Shelbyville next Saturday, he would build a cabinet suitable for all the cups. Mr. Sloan has the plans ready for the cabinet and has begun the work, so confident is he they will win from Shelby.

The morning's program was ended with a series of yells, with the yell leader in charge. Judging from the "pep" shown, if there is anything in that, they should easily be the winners in the sectional and state meets.

The police were unable today to locate the thief who snatched the purse of Mrs. Charles Drenen, Friday evening, while she was walking in West Seventh street. The robber obtained more than \$22. TWELVE VILLAGES BEEN ADOPTED

American M. E. Church to Reconstruct Dozen on Chateau Thierry Battlefield

TO BUILD COMMUNITY CENTER

At Present Are Using French Motor Trucks and Drawing Supplies From Red Cross

New York, May 5.—Twelve villages on the battlefield of Chateau-Thierry, where United States soldiers and marines won undying fame by stopping the German drive on Paris at its spearhead early last summer, have been "adopted" for reconstruction work by the American Methodist Episcopal church, it was announced today by the Methodist Centenary Committee, 111 Fifth Avenue.

Boppesche, Vanx and Le Thieul, names which will always live in American history, are three of the towns entrusted to the American churches by special arrangement with the Prefect of the Department of the Aisne and M. Lebrun, Minister of the Liberated Territory in the French Cabinet. The others are Bonnell, Mont de Bonnell, Azy, Nogentel, Vincelles, Monneaux, Montcourt, Crozy and Audouin.

The towns are in a district bordered on the north by Belleau Wood, changed by the valor of the sea-fighters of the U. S. Second Division to Bois de la Brigade de Marines (Marine Brigade Wood). The district is just northwest and west of Chateau-Thierry.

The city of Chateau-Thierry itself is not in the Methodist reconstruction territory, but will serve as headquarters for the Methodist workers.

An elaborate community centre will be built in Chateau-Thierry by the Methodists. This is an independent project, however, the physical rehabilitation of the city being entrusted to other forces.

The announcement of the Methodist plans was made by Dr. Ernest W. Bysshe, for ten years superintendent of Methodist missions in France, and on his arrival here from Paris. The Department of War Emergency and Reconstruction, Methodist Joint Centenary Committee has charge of arrangements here, including the forwarding of supplies.

"For the present we are co-operating with the American Red Cross and the French Government," said

Dr. Bysshe. "Our workers are already on the field and are in touch with the villagers. Supplies are being distributed by our force."

"In order to get the work started quickly, we are for the moment using French government motor trucks and drawing our supplies from Red Cross warehouses."

"We are sending our own supplies, however, from the United States in the Methodist relief ship which will sail soon. It will bear essential articles for certain districts in France, Italy and the Balkans, as announced some time ago."

The Red Cross in Peace Time.

Red Cross Home Service workers aren't going to lose sight of any discharged disabled soldiers, according to a new plan being carried out by Lake Division headquarters, American Red Cross. Here's how they took care of one Ohio doughboy.

Homer Andrews, who had been a coal miner, went over the top in a great drive and was gassed. The poison affected his lungs. After six months in a hospital in Europe he was sent back to a hospital in this country, better but not able to go back to the mine. Red Cross hospital workers sent him name and address to the After-Care Department, Lake Division. Home service workers in his home town visited his home, explained his condition to the family, and later persuaded Homer to take a course in vocational training offered by the government. Now he is well on his way to a new field of work where he will be able to earn more money than he did as a miner.

Other boys besides Homer are

It is indeed hard to stand at one side while the stream of life flows by. A man or woman condemned to sickness that does not permit him or her to perform the active duties of life, to do his or her share of the world's work, is a pathetic figure deserving of sympathy. Much sickness, pain and misery result from disordered kidneys and bladder. Failure of the kidneys to do their work properly and filter impurities out of the blood leads to rheumatic pains, backache, sore muscles, stiff or swollen joints, puffiness under eyes, dizziness, biliousness, bladder weakness, nervousness, or other symptoms of kidney trouble.

Foley Kidney Pills

are effective in removing the cause of the trouble for they strengthen and invigorate weak or deranged kidneys and help them to normal functioning so that the blood stream is purified and the cause of disease removed.

F. B. JOHNSON

prompting by the scheme of co-operation that has been worked out between the Red Cross workers of the base hospitals and Home Service workers in the 369 Red Cross chapters in the Lake Division. Red Cross hospital workers scan the admission lists and notify Headquarters when a man who lives in the Lake Division is received at the hospital. This gives the Home Service workers an opportunity to get acquainted with his family and help them get ready for his return. A second notification goes out when the man is discharged. Then the Home Service workers are on hand to assist in preparing compensation claims, and advise about insurance jobs, and the training Uncle Sam is anxious to give every disabled man.

A Matter of Hygiene.

It would be malicious to suggest that the government has levied a tax upon young boys, secure in the knowledge that this could be done with impunity. Boys under twenty one do not vote, so that there is no danger of retaliation at the polls.

We do not take such an extreme view. The government has merely acted from inadvertence; but none the less it is up to the government to bring about a slight readjustment, if possible.

To put a tax upon sporting goods used by youngsters was an error of the venial kind. The government has enough to do at all times, and lately has had rather more than enough to do. Faced at every turn with the necessity of determining fundamental questions of policy at the shortest notice it has found little time to devote to matters where fundamentals are not involved. Hence the injudicious tax on sporting goods.

There is no reason why a tax should be levied on a certain class of these articles. It takes very slight aversion to differentiate between goods of the kind that are merely luxuries used by the very wealthy and the essentials of healthy exercise necessary to bodily growth. A polo mallet is not likely to be purchased by a bricklayer's son. A base ball bat is.

There is wisdom in the principle that unnecessary diversions should yield revenue to the state. But the health giving exercise of children is more than a diversion. It is as necessary as food and clothing.

Italy got to the place where she wouldn't play in the back yard or slide down the cellar door with anybody. So she took her dolls and dishes and went home.

**FOUR LAW SUITS TO

Cases Filed by Herschell H. Ruff of
Springport Brought Here on a

ELEVATOR BURNED JULY 3, '18

Four damage suits, each for \$1,000, against as many fire insurance companies, to recover for the loss of the Springport elevator in Henry county by fire on July 3, 1918, have been filed in the Rush circuit court, having been sent here from the Henry circuit court at Newcastle on change of venue. The suits were filed by Herschell H. Ruff, who owned the elevator at Springport, on December 11, 1918. He alleges that none of the insurance companies is willing to make a satisfactory adjustment for the loss, which was complete.

The four insurance companies sued are as follows: the Royal Insurance company, Limited; the Fidelity-Phoenix Fire Insurance company of New York; the Sterling Fire and Marine Insurance company, and the Sterling Insurance company of Indianapolis. The complaint in the suit against the Springfield company says the defendants offered to settle for only one-fourth of the amount of the policy.

LIABILITY INSURANCE—The act of 1917 relative to liability insurance was amended to exempt physicians' liability insurance against loss or damage resulting from accident or injury suffered by any person, occurring in the practice of medicine or surgery or in the dispensing of drugs or medicines for which loss or damage to the insured is liable.

Voluntary Associations—The powers of voluntary associations organized to carry on the business of insuring titles to real estate, make abstracts loans and collection of rents thereon.

TOWNSHIP BOUNDARY LINES—The power of county commissioners to change the boundary lines of townships or to consolidate two or more townships under the present law is unlimited. Under a new law of 1919 the boundary lines of townships except townships in which is situated a city having a population of 15,000 or more, cannot be changed unless a majority of the freeholders of the townships affected shall petition the commissioners to effect such alteration.

ONE MAN OPERATES BOTH TRACTOR AND IMPLEMENT

One Man Discs 27 Acres a Day with the New

MOLINE
UNIVERSAL TRACTOR
It Solves The Farm Help Problem

Discing is rapidly and economically done with the new Moline-Universal Tractor, Model D, one man with an 8-foot tandem disc harrow covering 27 acres in ten hours. With a 10-foot disc harrow he covers 38 acres, and with a 20-foot peg-tooth harrow 76 acres.

The light weight of the Moline-Universal Tractor, 3,380 pounds, makes it especially adapted for discing and similar work, as it does not pack the soil and uses but little fuel, running on less than half throttle most of the time. It is light, but more than enough power to pull 24-inch plows at high speed, all its weight being traction weight.

The Moline-Universal Tractor attaches directly to the implement and forms a single, compact unit with it that is controlled by the operator from the seat of the implement, where he must sit to do good work. One man with the Moline-Universal does as good work as two men with the average tractor.

The Moline-Universal is adapted for all classes of farm work. Its high

clearance, 20 1/2 inches, makes it ideal for cultivating, and it is equally well fitted for planting and harvesting. In addition, it has ample power for belt work, pulling a 24-inch grain separator or 16-inch eggslage cutter with ease.

There is work on the farm every day in the year for the Moline-Universal Tractor. It will do every field operation that can be done with horses and do it better, faster, and cheaper. This is why the Moline-Universal really replaces horses, and, at the same time, by enabling one man to do much more work than ever before possible, solves the farm help problem.

The detailed construction of the new Moline-Universal, Model D, is the best it is possible to manufacture. Perfected 4-cylinder overhead-valve engine, electric starting and lighting system, complete enclosure of all working parts, and fifteen Hyatt roller bearings, are a few of the main features.

We invite you to examine this machine at your earliest opportunity.

The Itching and Sting of Blazing, Fiery Eczema

Seems Like the Skin Is on Fire.

There is a harrassing discomfort caused by Eczema that almost becomes a torture. The itching is almost unbearable, and the skin seems on fire with the burning irritation. A cure from local applications of salves and ointments is impossible, because such treatment can only allay the pain temporarily. The disease can only be reached by going deep down to its source.

The source of Eczema is in the blood, the disease being caused by an infection which breaks out through the skin. That is why the most satisfactory treatment for all so-called skin diseases is S. S. S., for this remedy so thoroughly cleanses the blood that no impurities can remain. Get a bottle to-day at any drugstore, and you will see results from the right treatment. Write for expert medical advice, which you can get without cost, by addressing Medical Director, 21 Swift Laboratory, Atlanta, Ga.

The Patriotic Story of the LOAN

Tell it to the children who will profit by its thrift

Tell them how the First and the Second, the Third and the Fourth helped win the War. Tell them how the Fifth finished the work.

Tell them of the benefits derived from money safely invested—the way in which it works for them year after year until every cent has been returned.

They will learn the value of saving.

And then—show them the Bonds—all five of them!

LAYMEN MAY BE MODERATORS NOW

Ruled out Enmasse Heretofore but Will Now be Recognized by the Presbyterian Church

SHOULD BE CONSULTED

Various Questions Confronting the Churches Have Made Cooperation Necessary.

(By United Press.)

St. Louis, Mo., May 5.—That for the first time in the history of the church a layman will be chosen Moderator is the prevalent belief here today of advance delegates to the 131st General Assembly of the Presbyterian Church in the United States which meets here May 15 to 25.

Laymen, in the past ruled out as delegates to the assembly, will attend in masse this year, following the ruling adopted by the convention last year that in the future big business men were to be elected by any presbyterian so desiring and that they would be eligible for the office of Moderator.

Belief that laymen as well as the clergy should be consulted in determining the policy of the church to church unity of various denominations, Bolshevism, capital and labor and the League of Nations, led to the removing of the bars.

Among the important church matters to be considered simultaneously at the Assembly here and the Southern Presbyterian Church at New Orleans will be the proposition to merge the general assemblies of the American church.

Among the delegates of the Laymen's Council, who are expected to attend the assembly this year. Dr. John Willis Baer, Pasadena, Calif.; Nelson H. Loomis, Omaha, Neb.; William A. Harrison, Pittsburg, Pa.; Robert Dollar, San Rafael, Calif.; Frank J. Loesch, Chicago; Henry P. Crowell, Chicago; Robert Johnston, St. Louis; Chas. Lukens, Huston, Coatsville, Pa.; James P. Goodrich, Indianapolis; Edw. M. Bulkeley, New York; Alva B. Johnson and John Wanamaker, Philadelphia; Robert Garrett, Baltimore; A. H. Whitford, W. A. Rogers, D. S. Alexander, Buffalo; Wilson A. Shaw, Pittsburg, Pa. James A. McNary, El Paso; William Livingstone and Henry Leland, Detroit; Sereno P. Penn, Cleveland; D. D. Dayton, Minneapolis; E. R. Brown, Dallas and J. B. Welsh, Kansas City.

Among the laymen who are being mentioned as possible Moderators are John T. Manson president of the First National Bank of New Haven, Conn.; Alexander R. Nichol, of New York and A. A. Hyde, Wichita, Kansas. Hyde has given more than a million dollars to the church benefices.

Coming Events

Cast Their Shadows

Prepare Now to Withstand the Crisis

Do not anticipate with a shuddering dread the beautiful event of childbirth. You can avoid discomfort during the period and strain at the crisis by preparing your system and putting yourself in splendid condition to meet the time.

For just this purpose women all over the land, in every walk of life, have used for over half a century the time-honored and famous remedy, Mother's Friend. It is prepared to give the mother-to-be that direct help she needs. The muscles, nerves, tendons and cords are made and kept soft and elastic. Thus strain is avoided, and, as a result, nervousness, nausea, bearing-down and stretching pains are avoided.

The abdominal muscles expand easily and gently when baby is born. Naturally, pain is less and the hours are fewer. The system is prepared and the crisis is one of much less danger.

Write the Bradford-Regulator Company, Dept. M, Lamar Building, Atlanta, Georgia, for their helpful Mother's Friend Book, and obtain a bottle of Mother's Friend from the dealer nearest you. It is a guaranteed remedy you can take at a moment's notice.

The Cash Value of Public Opinion

Like a dirty, frayed collar on a man in a \$60.00 suit, an "untidy" fence discounts a fine farm in public opinion.

And as a clean collar offsets to a great extent the frayed "hand-me-down," a Page fence adds dignity and prestige to the humblest farm home.

Your banker, your storekeeper, your neighbors, the man who may be looking around to buy a farm—their opinions are based partly—sometimes strongly—upon what they see.

And their opinions have a cash value that will be a big asset to you in your business transactions with them.

A PAGE FENCED FARM IS NOT ONLY THE SIGN OF A GOOD FARMER

But is also reliable evidence that the good farmer HAS A GOOD FARM. The reputation of your farm is a business asset which deserves protection.

We sell Page, Elwood and American Fence.

We give 5% off for cash.

HIGH AVERAGE VALUE IS BEING MAINTAINED

Last Two Weeks Report Made by County Assessor Shows Assessments Are Kept Up

ASSESSING TIME ENDS MAY 15

The high average value being placed on personal property for taxation purposes by the township assessors of Rush county and their assistants, is being maintained, according to the last report sent to the state board of tax commissioners by Earl Priest, county assessor. No report has ever been compiled on real estate, but Priest is certain, from the reports he has received, that the average will range from \$140 to \$150 an acre for farm lands and improvements.

The personal property assessment books must be in the hands of the auditor by May 15 in order for the books to be sent away for binding and be returned by June 1 when the board of review goes into session. The assessment of real estate will not close until June 1.

The county assessor has learned that the better class of real estate is being assessed in Fayette county at from \$150 to \$200 an acre. It is the aim in Fayette county, he says, to make real estate and improvements average \$125 an acre.

The general average on personal property here for the several items of personal property, which covers all kinds of household goods and tools and all ages and classes of live stock, is as follows: horses \$108.34; cattle \$64.03, hogs \$18.54, sheep \$10.84, automobiles \$382.87, tools \$103.81 and household goods \$134.45.

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound, mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

VIRGINIAN GOT D.S.C. AWARDED IN BERLIN

Major Lindsley Sylvester Receives the Medal For Bravery Along the Marne.

IN THE AMERICAN EMBASSY.

Berlin, (By Mail.)—Major Lindsley M. Sylvester wears the only Distinguished Service Cross to be awarded in Berlin. The Major is a Virginian. He won his D. S. C. last summer along the Marne. His dug-out was the only protection in a particularly hot sector that could be used for the wounded. The Major moved his battalion headquarters out in the open trench, to make place for the wounded, and for two days directed his men from no cover at all; with shrapnell and high-explosive shells raining over the area.

When the award finally came through, Major Sylvester was in Berlin with General Harries' prisoner mission. General Harries presented the medal in the old American embassy on Wilhelmplatz, in the presence of British and French Generals.

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Rushville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

A. M. Younger, retired farmer, 828 W. Tenth St., Rushville, says: "I have been using Doan's Kidney Pills off and on for about ten years and they have done me good. When a man gets as old as I he is apt to have more or less trouble with his kidneys. At times I have had a dull ache across the small of my back and my back has been weak and lame. Then the kidney secretions have been too frequent in passage, causing me to get up at night. Every time I have been that way, I have bought a box of Doan's Kidney Pills at Johnson's Drug Store and they have never failed to relieve me in a short time."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Younger had. Foster-McLburn Co., Mfgs., Buffalo, N. Y.—(Adv.)

STATE SUPT. HINES SPEAKS HERE TONIGHT

Will Address Meeting at Graham Annex on Subject, the Public and Its Schools, at 8 p. m.

TALKS TO TEACHERS AT FOUR

The public is cordially invited to attend a meeting at the Graham Annex Auditorium tonight, to hear State Superintendent of Instruction, L. N. Hines on the subject of "The Public and Its Schools." This will be Mr. Hines' first visit to Rushville since he assumed his present office March 15 this year. Mr. Hines is a man of broad school experience and his address will interest all.

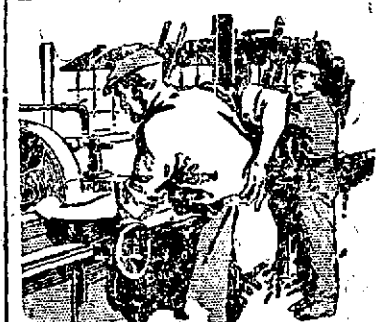

Mr. Hines was to meet with the teachers at 4 o'clock this evening and discuss some of the new laws passed at the last session of the state legislature.

Two reels of travel pictures will be shown tonight at the meeting. These will show scenes in Japan and in England. The admission is free this evening and all are cordially invited to attend. The address will begin at 8 o'clock. The doors will be open at 7:30.

LOCAL CITIZENS, TO RIDE

Commercial Airplanes Will be Brought Here For That Purpose

The view of Rushville citizens soaring about in the air in airplanes is in prospect here. So many local people have expressed a desire to take a flight, no matter what the cost, that Elmer Caldwell expects to have some machines brought here some Sunday in the near future from the commercial flying field at Wabash, Ind. He is making contracts with those who want to know the sensation of flying and when a sufficient guarantee is obtained, a date for the event will be fixed. The idea was suggested by a visit at the field of John Bowles and P. A. Newhouse, county commissioners, and Hal Green, county highway superintendent, who took a ride.

Ouch! How my back aches! After influenza or colds the kidneys and bladder are often affected—called "nephritis," or inflammation of the kidneys. This is the red-flag of danger—better be wise and check the further inroads of kidney disease by obtaining that wonderful new discovery of Dr. Pierce's known as "Anuric" (anti-uric), because "Anuric" expels the uric acid poison from the body and cures those pains, such as backache, rheumatism in muscles and joints. Naturally when the kidneys are deranged the blood is filled with poisonous waste matter, which settles in the feet, ankles and wrists; or under the eyes in bag-like formations. Dr. Pierce's Anuric is many times more potent than lithia and often eliminates uric acid as hot tea melts sugar.

Goshen, Indiana.—"For many years I have been a great sufferer with kidney trouble and rheumatic pains through my hips, extending down into my knees. At times I would be so stiff I could not get up or down. I had scalding urine; it would be very dark colored, and there would always be a sediment in it. I also had difficulty in voiding, only a little at a time, and then only with great pain. I have taken many remedies with little or no relief. Quite recently I learned of 'Anuric' and began taking it. I have hardly taken one bottle, but I am much improved. I have no scalding, excretion comes with ease and comfort and the color is perfectly normal. I am feeling much better in every way than I have for some time past. I am sure I have found the right medicine in 'Anuric.'—Wm. Barker, 416 North 5th Street.

Janesville Two-Row Cultivator

WHEN you sit comfortably on the easy riding Janesville Two-Row, and see every plant in every row getting exactly the cultivation you want it to have, you think what a blessing it is that you have a machine to do all that work. The old timers would think so if they could see you getting over the field so rapidly, and doing the work better than they ever did.

The Janesville Floating Arches solve the problem. They are hung by pendulums from the top bar and swing from side to side with a pendulum movement. You widen or narrow the gangs in the row with your feet. Or lock them at any width desired.

The shovels naturally follow the rows, but you can shift them to either side so quickly and so easily that you can hoe every hill without stopping the team.

Your own weight on the seat bars acts as a lever to turn the wheels slightly up hill—this big advantage takes the down-hill creep out of side-hill plowing. The entire machine is light, compact, flexible—no oiling needed, except in wheel boxes.

Cultivate with a Janesville Two-Row—and you will forget that there ever was hard work in cultivation.

Amusements

Maggie Pepper at Princess

Rose Stahl's greatest dramatic success, written by Charles Klein, was "Maggie Pepper," and it had its first presentation in December, 1911, at the Harris theatre, New York City. Undoubtedly one of the most successful stories ever staged, this play presents a remarkable human touch which immediately met with approval. A pietization of the play will be given at the Princess theatre tonight.

There has probably been no play of recent years in which the element of heart interest has been so compelling as in this romance of a department store employee, for Maggie Pepper, head of the silk department, for fifteen years has had nothing but the commonplace of business in her thoughts until suddenly she becomes obsessed with the desire to enter society. This she does with complete success and wins the admiration of a man who turns out to be the head of the firm, recently returned from a long sojourn in Europe. He makes Maggie manager of the business, but the scandal spectre stalks about and to save the situation she resigns. Through many trying situations Maggie's love remains steadfast and ultimately triumphs.

New Star at the Mystic

According to advance reports, the Mystic theatre is to have another important photoplay Tuesday. On that day will be shown a new William Fox star, Albert Ray, and a new leading lady, Elinor Fair. They will be seen in a comedy drama called "Married in Haste," a five-reeler that is said to be bulging with humor, but with a few serious incidents thrown in. It is a story of the taming of a young spendthrift. Through a scheme of his bride he is made apparently penniless in the midst of a host of unpaid bills. His wife wants to force him to be a business man and soon afterward he changes from a full dress suit to the clothes of a workman, begins to climb and finally turns out to be a shrewd business man.

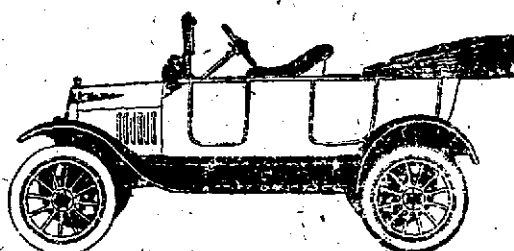

Arthur Rosson, who has made some very fine motion pictures, was brought under the Fox banner especially to direct this photoplay.
